success of the club, good things can only happen.

We hope to see a good rollup at the AGM with lots of willing people ready to assist in making 2015 another successful year for the Casino & District Orchid Society.

CLUB BUSINESS

The next meeting will be Thursday 26th February 2015. Due to the formalities of the AGM there will be no guest speaker.

Words from outgoing President Dennis Frank

Next meeting is the AGM and I would ask that each and every member consider what YOU can do to take the club forward in this the 50th year of operating.

There will be several positions vacant – President, Vice President, Treasurer and several committee positions. Warren also is unable to continue in his position due to family commitments.

I would like to express my thanks to all our Committee members for your input and assistance throughout my time on the committee. Thanks must go to Joan for her guidance and to Karen for the newsletters that are a vital part in informing members of events and also great photos and information.

Lynne and I have enjoyed our time attending meetings. It is our philosophy that if everyone contributes a little to the

We have a mystery on our hands. Last year somebody agreed to deliver Graham Gamble's medal for Culture from last Spring's Show but it was never delivered. If this rings a bell would you have a look around your car perhaps and see if it can be found and delivered. Many thanks.

Casino Orchid Society 50th Anniversary

The outgoing committee discussed and recommends that the 50th anniversary be celebrated with a dinner or event on the original date of 10th July. Also the two shows can have a table display of memorabilia.

Another recommendation is about the wheelbarrow raffle with the committee favouring it to be filled with groceries for raffling in the Spring Show.

2015 Australian Orchid Conference and Show

A website is being worked on which will grow and be updated with information about the 2015 Conference and Show at
