## JANUARY NEWSLETTER

A Very Happy and Healthy New Year to you all. This will only be a fairly short newsletter as there is not a lot happening in January.

We had a very enjoyable Christmas party in November which was held at the Cecil Hotel. A great meal and good fun and friendship was had by all who attended. Bert Brand won the Christmas Hamper raffle and thanks go to Coral McAteer for putting it together and to those who contributed towards it.

The first meeting of the year will be held on Thursday 24<sup>th</sup> January. Hope we start the year off with a really good attendance. Could some of you please bring along a small plate of goodies for supper. Thankyou.

The February meeting will be the A.G.M. and all positions will be declared vacant, so please fill in a committee nomination form which will be available at the January meeting and nominate members that you would like to have running your society
