AUGUST NEWSLETTER

What a selection of benched plants at the August meeting, the tables went right across the hall and plants were 2 to 3 deep. Let's hope you still have flowering plants left to bring along to our show on 18th September. A warm welcome to new member Len (Lenette) Hall who joined last month. Len has started off on a great note by taking out 1st in the Novice Section and 1st in the Phalaenopsis section this month great to see the enthusiasm from our new members.

Main topic this meeting was our upcoming Spring Show on 18th-21st September. A roster was handed around for helpers during the show there are still quite a few spaces so if you were not at the meeting and can give assistance please contact our Secretary, Ben Radic, on 0491 132 595. We also need those who can cook to do cakes, slices, muffins, sandwiches which can be sold through the canteen if you can assist in this area please contact Margaret Scofield on 0413 519 832 to give her an idea of what will be available for sale. In regard to plants for the show bring along plants for judging and if you have other plants that are nice but not quite up to judging standards bring them along too as they help fill the display tables. The sales tables ran out of plants for sale at the last show by the Friday with nothing on offer to the public on the Saturday, so please go through your collection and bring along sales plants, maybe in two deliveries to ensure we don't run out of plants.

Anyone with trophies that are needed for the Spring Show please return them by Wednesday 18th September to the hall at the latest as they will be sent to the engraver on the Thursday morning for the new winners.

There will not be a general meeting next month because of the show so the next meeting will be held on Thursday 24th October. The next Committee meeting will be on Thursday 12th September at 10.30 am at the Oxford Hotel to wrap up the final details for the Show.
